

Lets Grow Together

People are using the GivBux Purchasing App every day in many ways. Here's a "starter list" of some of the most common ones:

- 1) Grandparents use GivBux as an easy way to send money to their grandkids for birthday, holidays and "just because".
- 2) Parents use GivBux to send their kids money for shopping & entertainment when they're out with friends.
- 3) Individuals use GivBux to transfer funds to family members, both locally and internationally.

4) Rideshare users use **GivBux** Uber to pay for their rides and rides for their family or friends.

5) Business Professionals use GivBux to book and pay for hotels, meals, travel, entertainment, and other expenses while on business trips.

6) Charitable people use GivBux to donate directly to their favorite charities and non-profit groups.

7) Students use GivBux at bookstores like Barnes & Noble to purchase textbooks, supplies, snacks, and gear.

8) Users enjoy using GivBux at top online merchants like Groupon.com, Hotels.com, and Flowers.com.

9) Friends use GivBux to "pick up the tab" or for their share of a meal when dining with their pals.

10) Fun lovers use GivBux to purchase tickets for themselves and others at major theme parks like Disneyland.

And the list goes on...
